## TOGETHER INTERNATIONAL

### DESCRIPTION:

Education for all is a project run by the Projects Division, with the assistance and support of the *Together We Teach* Unit (Programs Division) and the rest of Together's structure as a whole.

It's ultimate goal is to contribute to the educational development of vulnerable communities. These communities can be in the third world ([underdeveloped countries](#) or [Least developed countries](#)) or in the so called fourth world (developed countries).

### *Together We Teach:*

Groups of professionals come together to donate their time and skills and provide learning experiences to vulnerable and disadvantaged population:

Online lessons (languages, music, dance, chess..), Solidarity Pen pal, students exchange..

*“Our greatest ability as humans is not to change the world; but to change ourselves.”  
- Ghandi*
